ULTRA HIGH GLOSS
DOORS & PANELS

Panelform Puregloss doors and panels offer a highly sophisticated, yet totally practical finish.

Brilliant light reflection lifts the atmosphere when entertaining, enhances the sense of space, and gives an easy-care surface that'll delight the fussiest cook.

Puregloss's three colourways offer ample opportunities to co-ordinate or highlight design.

CARE & MAINTENANCE

Puregloss doors and panels are made from High Moisture-Resistant E-Zero MDF substrate, but as with any MDF product, are not water-proof. Care should be taken to ensure they are not exposed to high levels of heat, moisture, steam and humidity and that any accidental spills are wiped up immediately.

For cleaning we recommend wiping with a soft, damp cloth with warm soapy water and then drying with a soft dry cloth. For more difficult marks, a mild streak-free glass cleaner may be used. Please refer to the manufacturer's recommendations before use.

Do not use commercial cleaning products, abrasive papers, acids, solvents, thinners, methylated spirits, turpentine, bleach or any other strong cleaners to clean Puregloss doors. Use of these cleaners will void your 10 year warranty.

INSTALLATION

Puregloss doors and panels are manufactured with a protective film on the surface to prevent scratching. This film should not be removed until installation is complete.

10 YEAR GUARANTEE

Panelform guarantees Puregloss doors and panels will stand the test of time. As manufacturers we have full confidence in our design and workmanship and will guarantee this in all our products for 10 years, subject to the following terms and conditions.

- This guarantee is subject to compliance by the consumer with all Panelform's terms regarding the installation, care and maintenance of the doors.
- Panelform will not be liable for any defects or faults resulting from acts or omissions of anyone other than Panelform or for any cause independent of human control occurring after the goods have left Panelform's control.
- Any claim shall not exceed the original purchase price of the doors or panels manufactured. Panelform will not meet any additional costs of reinstallation or refitting of doors or panels.
- Panelform must be advised in writing of any claim under the terms of this guarantee within 10 years of the date of manufacture of the products.
- The claim is made by the original purchaser of the products.

This guarantee is in addition to the guarantees as contained in the Consumer Guarantees Act 1993 and does not in any way limit the rights which may be available to the consumers under that Act.
